August 2010 – January 2012

OTHER EMPLOYMENT

The World Bank, Washington D.C.

June – August 2016

Summer Research Associate, The Doing Business Project

Researched and analyzed comprehensive quantitative and qualitative data to compare policies in place and regulations to formally operate businesses in 189 countries. Assisted in adapting the methodological design of the Starting a Business Indicator to account for gender-based differences in the procedures required to start a business.

Ministry of Economics of Tabasco, Mexico City, Mexico

January – June 2015

Project Coordinator, Center for Training, Technology Transfer and Development of Tabasco

Developed a research study on the gaps in services for suppliers to the oil and gas industry in Tabasco, Mexico, to identify the key issues enterprises face in the region and the human capital skills needed to meet their demands.

Centro de Investigación para el Desarrollo (CIDAC), Mexico City, Mexico

July 2013 – November 2014

(Economic Development and Public Policy Think Tank)

Research Coordinator, Human Capital Division

Implemented with International Youth Foundation a pilot program for soft skill development to attend 500 underprivileged youth living in Ciudad Juarez, Mexico. Findings from this study were used to promote dual education programs and professional practices in Mexico.

Coordinated a 3-person team to design and implement a randomized experiment for the Atlas Foundation on the impact of CCTs on the individuals' motivation to adequately protect forest resources to determine the policies that ensure efficient provision of environmental services. Co-wrote a report recommending policies that encourage proper provisioning of forestry resources.

Junior Researcher, Human Capital and Economic Development Division

Designed and supervised the implementation of the first countrywide survey and diagnosis of the most-needed job skills among recent college graduates in Mexico.

Researched and co-wrote "Encuesta de Competencias Profesionales 2014 (ENCOP2014)", where CIDAC received financial support from USAID.
